

# HAVE YOU HAD A TBI (CONCUSSION)?

Volunteers needed for research study

**Can be completed 100% at home!**

## **Participation Requires:**

- 3 appointments completed remotely that include questionnaires and cognitive tests
- Passive data collection on your smartphone (optional)

## **You May Qualify If:**

- You've had a concussion or moderate TBI more than 3 months ago
- You have cognitive and/or psychological symptoms
- You're an active duty or retired service member, veteran, national guard member, or TRICARE eligible reservist

## **Compensation:**

- You will be paid for completing the study unless you are active duty and/or a federal employee

**If interested please text or call: 301-941-7985  
or email: [psefstudy@usuhs.edu](mailto:psefstudy@usuhs.edu)**

Study title: Post-Concussive  
Symptoms and Executive  
Functioning (PSEF) Study  
PI: Joshua Gray, PhD
